

Tugas:

Buatlah aplikasi perhitungan sederhana seperti pada gambar dibawah ini!

The image shows a screenshot of a simple calculator application window. The window title is "APLIKASI KALKULATOR SEDERHANA". The main content area is titled "KALKULATOR SEDERHANA" in blue text. Below the title, there are three input fields: "Angka 1", "Angka 2", and "Hasil". Below the input fields, there are four buttons for basic arithmetic operations: "+", "-", "x", and "/". At the bottom, there are two buttons: "KOSONGKAN" and "KELUAR".
